Bingo for When You're Working From Home

Company branding in view	"Can you hear me"	Bad quarantine joke	Air Pods make an appearance
When a pet video bombs	FREE SPACE	When a kid video bombs	When someone's screen freezes
Siren/traffic noise in the background on a call	When a dog barks in the background	Coolest video call background	Forgetting that you're muted when you try to talk
Asking someone else to mute themselves	Limb falls asleep working on the couch	Internet drops	Multiple people talking at once on the call
